## Activities this term

### Graduation

This is the last term at Little Hearts Kindergarten for our dear P.P 2 children; they will be moving on to Standard One in January.

We will have a Graduation Day for them towards the end of the term, so that we can say goodbye to them and present them with tokens that they will value for years to come.

All in all, we look forward to another interesting term in which, we hope, our parents will participate fully!

# Class Projects for the term

Childhood is not a race to see how quickly a child can read, write, and count. Childhood is a small window of time to learn and develop at the pace which is right for each individual child.

Please assist your child in collecting pictures and any other material relevant to the following projects:

| Class     | Project            |
|-----------|--------------------|
| Day Care  | Shapes and Colours |
| Playgroup | Clothes We Wear    |
| P.P 1     | Insects            |
| P.P 2     | Occupations        |

## School Fees

Unfortunately, we have not received all the fee payments for the term. If you have not yet submitted the fees in full, please do so by **Friday, 13th September 2019**, otherwise your child will not be allowed in school.
