Little Hearts Kindergarten

The First Step Towards a Better Education

Dearest Parents,

Welcome to Term 3!

A warm welcome back to all our Little Hearts families as we begin another exciting term of learning, growth and happy memories. This term is especially meaningful as Little Hearts Kindergarten proudly celebrates 27 years of nurturing young minds, building confidence and making childhood learning special.

Thank you to all our parents for your continued trust and support. We look forward to a wonderful Term 3 together!

Activities

Our extra-curricular activities are back, and the fun is already underway! Each week, your child gets to enjoy exciting sessions that encourage movement, creativity, and confidence – with plenty of smiles along the way.

Weekly photo updates will be shared via WhatsApp so you can see your little ones in action. If your child has not joined an activity yet, it is not too late – late sign-ups are welcome. These optional activities are a great way for children to try something new and add a little extra fun to their school week.

Parents who wish to enrol their child are kindly encouraged to confirm with the school office.
